

Coming This Fall!

Kansas Association of Osteopathic Medicine
Mid-Year CME Conference
November 12, 2010 Display Date
Hilton Airport Hotel – Wichita, Kansas

Invitation to Support Our CME Program with a Display!

Please join us for our fall conference. We would like to urge you to reserve a tabletop display in support of our continuing medical education program.

Our Association feels it important that our member physicians be kept up to date on the various products and services offered by companies such as yours. Therefore, we wish to extend this opportunity to you to display **all day Friday, November 12 (7:00 a.m.-3:30 p.m.)**, the display charge is \$600, and includes continental breakfast, lunch and an afternoon break with osteopathic physicians and physician assistants from throughout the state of Kansas.

Simply return the enclosed contract in the envelope provided, or register online at www.kansasdo.org. or fax it to us at the number listed—785-234-5564. **Space is limited, so get your contract in early.** *Note: because of space limitations, **only** two representatives at a time per tabletop display please.*

We greatly appreciate program support and our conference always addresses a wide variety of family practice issues. A few examples of areas we cover in our program are diabetes, hypertension, stroke management, mood disorders, orthopedics, dermatology, cardiac disease, gastrointestinal issues, pain management, pediatrics, and women's health issues. The CME program begins Friday, November 12, and ends Saturday afternoon, November 13, and is accredited for approximately 18 category 1-A, AOA approved hours.

Your support never goes unnoticed. We make a concerted effort to inform KAOM members of your participation through various marketing media. Check out our website to see a listing of current CME program supporters.

Please contact Marcia Johnson, Director of Continuing Medical Education, at the KAOM office to offer program support through an educational grant, or for additional display information. Call 785-234-5563 or email: cmedirector@aol.com.

For your paperwork, our Tax ID is 48-0290656.

Thank you for your support.

Sincerely,

Gregory H. Mears, D.O. (Independence)
KAOM Program Director 2010-2011
