WELCOME TO KAOM CONVENTION 2015

As President of KAOM, I am pleased to welcome you to our Annual Convention. This meeting provides us with important continuing medical education as well as an opportunity to review the activities of our Association and install the officers who will direct Association activities in 2015-2016.

Larry Campbell, D.O., KAOM Program Director, KAOM Executive Committee on CME and Marcia Johnson, Director of CME, have arranged for an instructive curriculum of CME topics. We hope you find this program interesting, informative and timely. The primary purpose of our Convention is to provide quality CME, and this program offers an excellent, diverse educational experience.

Also, may I urge you to note the listings of those who have contributed to our Convention this year through the sponsorship of speakers, and exhibit booths. Thirty exhibitors are on hand to support our Association. We are fortunate to have such a great representation of companies and organizations that support our profession--please make them feel welcome.

I want to express my appreciation to the many association members who have contributed to the work of KAOM and the promotion of the osteopathic profession this year in Kansas. Be sure to take advantage of all Overland Park has to offer.

Catherine M. Mitchell, D.O.
President, KAOM
The Annual Meeting
Of the
Kansas Association of
Osteopathic Medicine

April 9-11, 2015
DoubleTree by Hilton Hotel
Overland Park, Kansas
CME CREDIT:
Pending approval by the AOA CCME, this program anticipates being approved for a possible 23 AOA Category 1-A CME Credits. Also submission of the Outcomes Survey, which will be mailed to attendees after the convention, will result in two additional credits of Category 1-A credit being awarded. AOA accreditation requirements require an attestation format. Attendees must sign a voucher indicating the number of hours actually spent in CME sessions. Be sure you receive an attendance voucher to sign and submit the yellow copy for your CME credit.

COURSE OBJECTIVE:
This program is designed to provide osteopathic physicians and physician assistants with a forum for exposure to the latest diagnostic and management trends in various medical disciplines. It is intended to provide an update in various areas of medicine with application to daily practice and enhancement of medical knowledge of providers resulting in improved patient health care outcomes.

******
Please check your Convention packet for additional information regarding physician participants and guests that appear on various KAOM program events throughout the Convention.

KAOM extends special appreciation to the many companies that are sponsoring exhibits and providing grants for CME sessions. Please check the list of all contributors that appear in the Program.

Because exhibitors appear at our convention to update attendees on the newest in medical care, KAOM hopes our attending physicians will visit each booth. We greatly appreciate exhibitor support!

 KAOM ANNUAL MID-YEAR CONFERENCE
The 2015 Annual Fall Mid-Year Conference of KAOM will be held November 13-14, at the DoubleTree by Hilton Airport Hotel in Wichita.

2016 KAOM ANNUAL CME CONVENTION
The 2016 Annual Convention will be held April 8-10, at the DoubleTree Hotel in Overland Park, Kansas.
